The Eagles Beak

FROM YOUR WORTHY PRESIDENT

It is an exciting time for the Florissant Eagles! We just completed another successful Spring Meat Shoot. We are preparing to host the National Wild Turkey Federation Meat Shoot on July 13th. And, the Queen of Hearts just keeps growing! Someone is going to enjoy a nice payout at some point.

We have chosen Sunday September 8th for our annual club appreciation day. Please mark your calendars! It will be a day filled with family, fun and food! The club will be providing the main dish and we will have a sign up sheet for sides that members can bring.

Please remember to follow our Facebook Group "Florissant Eagles 3638." Here you can comment, share photos and keep up with the club online. We are also working on getting a website up and running, www.eagles3638.com

Finally, I'd like to thank 2 long time officers for their service to our Aerie. John DeClue and Phil Pagano have served tirelessly for many years. Their efforts have helped shape the club into what it is today. John and Phil still continue to serve as mentors to Joan, Amy and myself.

Wishing everyone a great summer! Stay safe and cool!

Respectfully yours,
Scott Hill, President

SPRING MEAT SHOOTS HAVE FINISHED!

The spring meat shoots have come to a conclusion. The club raised approximately \$5000 from the shoots to go towards club business.

A big thank you to Mike McPeak and his "Meat Shoot Crew." There were a few challenges that were overcome with this round of

meat shoots that the board will decide on and present to the Aerie for discussion

The fall meat shoots will begin on Saturday September 7th and run through Saturday November 9th. So mark your calendar now and plan on stopping by!

The shoots are open to the public.

FLORISSANT EAGLES DONATES TIME

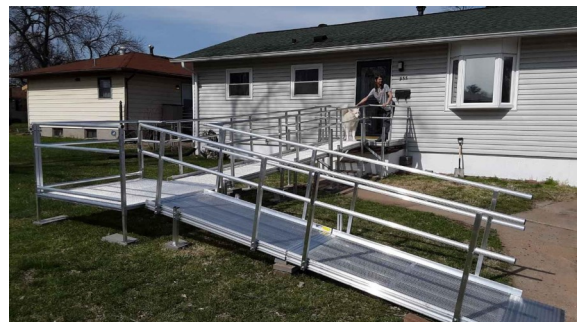

Earlier this Spring, your Florissant Eagles donated two wheel chair ramps to people who could really use them.

One of them went to a young lady in Florissant who has a crippling bone disease. She does her best to get around, but her condition is progressively getting worse. This wheel chair ramp will help give her the freedom and independence to do things like go the grocery store, therapy and other things that most people take for granted.

The other one went to Chris Fernau's Father. He's "getting up there" in age and is having issues with his balance and walking. I hope the partial ramp with the hand rails he received will help. You couldn't meet a nicer guy.

Thank you to all the Trustee's, Capt Jack, Phil Pagano and Big John DeClue for making the time to assemble these ramps. Also, a big thank you to all of the members of Aerie 3638 for their continued support. Everyone should feel good about these projects.
